## DIY PlaceMaking Field Guide

Use this to record your immediate thoughts about each place.

**Place #4:** \_\_\_\_\_

1. What do you immediately notice about this place? What can you see, hear, smell, feel?

2. What do you like best about this place?

3. How might your experience change if you were younger or older?

4. How do people connect in and to this space? How might walking, cycling and access to transit be improved?

5. How might you improve this place if you had \$500?

6. What would you do if you had \$5,000 or more?

**Place #1:** \_\_\_\_\_

1. What do you immediately notice about this place? What can you see, hear, smell, feel?

2. What do you like best about this place?

3. How might your experience change if you were younger or older?

4. How do people connect in and to this space? How might walking, cycling and access to transit be improved?

5. How might you improve this place if you had \$500?

6. What would you do if you had \$5,000 or more?

**Place #2:**\_\_\_\_\_

1. What do you immediately notice about this place? What can you see, hear, smell, feel?
